

Strong Field Holding

Legionnaire

Offering value-added disease resistances and fruit quality is Legionnaire. A BLS 1-3 resistant variety, Legionnaire has repeatedly delivered uniform green medium blocky fruit over wide geographical regions and across harvesting seasons. The vigorous plant is adapted to bush, short stake or tall stake cultural practices providing continuous setting of extra large and large sizes. Legionnaire's medium dark green fruit tolerates corkiness during cool periods. Widely adapted to Florida, Southeast, and Midwest green bell markets as well, it has the field holding trait to hold the green stage without turning color.

T R I A L   D A T A	
<b>Approx. Maturity</b>	Mid
<b>Plant Characteristics</b>	Vigorous plant is ideal for staking. Continuous setting.
