

Sweet Delight

Sweet Delight has shown a similar appearance to TRI-X® Brand 313, but fruit was consistently from two to three pounds larger than TRI-X® Brand 313 types. Fruit are oval in shape with a bright red flesh color and excellent uniformity of fruit shape. Very good fruit set was noted in several trials. Slightly later in maturity as compared to TRI-X® Brand 313. Advanced experimental variety for the markets in Mexico, Eastern and Western United States.
